The awards foster unit and individual competition and enhance morale. There is currently one cadet award available for sponsorship which is the Men's Most Valuable Golf

Player Award. Please contact Ms. Cathy Wedo, Chief of Cadet Awards, at (719) 333-4410, if your club is interested in sponsoring this award.

APPOINTEE ORIENTATION – CLASS OF 2012

The sessions for 2008 are 14-15, 21-22 and 28-29 April. These orientations are a Monday-Tuesday program designed to provide the appointees with the opportunity to become acquainted with the mission, operation, facilities, and faculty of the Academy. They will have the occasion to talk to members of the staff as well as the cadets. Monday is a full day of briefings by the senior staff. Late Monday afternoon, each appointee will be assigned an upper class cadet and will sleep in the dorm. On Tuesday, each appointee will shadow his/her cadet, attending classes and eating at Mitchell Hall. This orientation is not mandatory, but does provide the appointees the benefit of learning “what’s ahead” and should help them make their decision whether or not to proceed.

On each Tuesday afternoon, a walking tour of the cadet area is available to the parents. These tours are conducted by staff members of the Association of Graduates. Sign up for the tour can be done on line (Appointee Registration) or on Monday morning in Arnold Hall (where the briefings are held). This is a “walking” tour and not recommended for those who are physically challenged.

To register for an orientation, use the following internet site:

Cut off for registration is Thursday before each session.

RECOGNITION AND PROP AND WINGS

Recognition for the Class of 2011 will take place 13-15 March 2008. After the class has been recognized, the cadets are authorized to wear the standard chrome-plated prop and wings device on their flight caps. Cadets who are direct descendents of members of the Army Air Corps, Women Air Force Service Pilots (WASP), have a parent with at least 20 years of military service, or if either parent participated in combat as a member of any U.S. military service or if a parent died in the line of duty are authorized to wear the gold prop and wings device.
